DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

- For soil or foliar applications, do not apply by ground within 25 feet of lakes, reservoirs, rivers, permanent streams, marshes or natural ponds, estuaries and commercial fish farm ponds.
- Do not apply the product into fish pools, ponds, streams, or lakes. Do not apply directly to sewers or to storm drains, or to any area like a drain or gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur.
- Do not allow the product to enter any drain during or after application.
- Do not apply directly to impervious horizontal surfaces such as sidewalks, driveways, and patios.
- Do not apply or irrigate to the point of runoff.
- Do not make applications during rain.

 Do not allow to enter indoor or outdoor drains. No permita la entrada a desagües internos o externos. Follow proper disposal procedures on this label. Siga las indicaciones del etiquetado para el desecho apropiado del producto.

Apply this product directly to the lawn or garden area. Water treated area as directed on this label.

Apply early to prevent infestation. Repeat application is necessary only if there are signs of renewed insect activity. In New York State, this product may NOT be applied to any grass or turf area (lawns) within 100 feet of a water body (lake, pond, river, stream, wetland, or drainage ditch). In New York State, do make a single repeat application of this product if there are signs of renewed insect activity, but not sooner than two weeks after the first application. Do not allow people or pets to re-enter lawn until dry.

WHERE TO APPLY

Around Home Foundations (Perimeter Treatment)

WHEN TO APPLY

Apply early to prevent infestation. Otherwise, apply at the first sign of insect activity or damage.

HOW TO APPLY

Home Foundation

- Evenly apply a 2 foot wide band next to the home foundation.
- Use 0.5 to 1.0 lb of product for each 500 sq ft (2 ft x 250 ft).
- For 3 month control, apply 2 lbs of product for every 500 sq ft/1 lb of product for every 250 sq ft. Re-apply after 3 months if necessary.
- For best results, treated area should be thoroughly watered immediately after application.

APPLICATION DIRECTIONS

- Step 1. Remove cap by rotating counter clockwise.
- Step 2. Remove seal from bottle.
- Step 3. Replace cap by rotating clockwise until tight.
- Step 4. Flip open spout.
- Step 5. While holding bottle parallel to ground shake in a side to side motion to dispense product.
- Step 6. For storage, flip spout closed.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Keep out of reach of children and animals. Store in original container only. Store in a clean, dry, well ventilated place and avoid excess heat. For containers after partial use, reseal opened container.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling, if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes moderate eye irritation. Do not get in eyes or on clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

If in eyes:	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gently with water for 15-20 minutes.• Remove contact lenses, if present, after the first five minutes, then continue rinsing eye.• Call a poison control center or doctor for treatment advice.
--------------------	--

HOTLINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-(877)-465-5161 for Emergency Assistance.

NOTE TO PHYSICIAN

This product is a pyrethroid. If large amounts have been ingested, milk, cream, or other digestible fats and oils may increase absorption and so should be avoided. For information regarding the use of this product call 1-(877)-465-5161.

ENVIRONMENTAL HAZARDS

This pesticide is extremely toxic to fish and aquatic invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the lawn or garden will help to prevent run off to water bodies or drainage systems.

PHYSICAL AND CHEMICAL HAZARDS

Do not mix or allow contact with oxidizing agents. Hazardous chemical reaction may occur.

NOTICE: To the extent consistent with applicable law, buyer assumes all risks of use, storage or handling of this product not in accordance with directions.

THE ORTHO® GUARANTEE

If for any reason you, the consumer, are not satisfied with this product, mail us your original proof of purchase to obtain a full refund of your purchase price.
