KILLS WEEDS & GRASSES

Kills broadleaf & grassy weeds such as dandelion, crabgrass, clover, thistle, spurge, and many more!

WHERE TO USE

Use to kill weeds & grasses outdoors in vegetable gardens, flower beds, sidewalks, patios, landscape areas, driveways and other areas where weeds are unwanted.

Apply on a sunny day when the temperature is above 60° F.

Apply when weeds are small, green and growing.

Large and established weeds may need multiple applications 2-3 weeks apart.

Reapply as needed until desired control is achieved and as new weeds appear.

Reapply if it rains within 2 hours of application.

While staining is unlikely, it is recommended to spray product on an inconspicuous area of surfaces that may be sprayed and watch for the appearance of stain for 48 hours.

Avoid spraying directly on people, pets, bees or pollinators.

Avoid application to aluminum, iron and tin surfaces.

This product is formulated to kill a variety of undesired weeds, grasses, & moss.

Shake well before use.

For best results, thoroughly spray the entire weed.

Avoid spraying any desirable plants. Use cardboard or plastic to shield desirable plants from spray.

If accidental spray occurs, immediately rinse the foliage with water.

HOW TO USE

SPRAY	• Remove sprayer from bottle by sliding sprayer up. • Unwrap hose and insert hose connector into spout on cap until it clicks. • Twist cap to "ON". • Turn sprayer nozzle to desired spray. • Squeeze trigger repeatedly to spray.
FINISH	• Turn sprayer nozzle to "OFF". • DO NOT DISCONNECT HOSE CONNECTOR FROM SPOUT. • Place sprayer back into holster.

STORAGE:

Store in original container in a cool, dry area. Keep container tightly closed. Store out of reach of children or pets.

DISPOSAL:

If partly filled, contact your solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain. When container is empty, offer for recycling or dispose of in accordance with applicable federal, state, and local laws.
